Starting Times

You will be scheduling your own tee times and you can play anytime after noon on the scheduled Friday's

You will be assigned starting times for the 18- hole League Championship. Those tee times will start around noon.

Rain Outs-A rain out policy is in effect for those times scheduled after noon on League Fridays. If your scheduled tee time, Noon or later, is rained out you will have the following Friday to play your round. League will be cancelled if more than 50% of the teams which had tee times scheduled after noon are unable to play due to rainout.

Scoring- Ties will not be broken during the regular season, but they will be broken by a scorecard playoff in the championship. If two teams tie for the top spot in a given week during the regular season we will award first place points to both teams. If two teams qualify in a tie for the final spot of wither half season they will both qualify for the championship. If you are absent, you will be awarded zero points for that week. The total points that your team earns per half season will be comprised of your 3 best point totals form the 4 weeks of play per half season(so you can throw out 1 score per half season)

Championship Qualifying- The season will be broken up into two halves. The first half will be from May 3rd- June 14th and the second half will run from June 28th- August 9th. The championship will be held on Sunday, August 25th and will be contested over 18 holes.
